Free professional learning and networking event for education leaders, presented by Winning Scotland:

Is growth mindset really worth it?
with James Nottingham

Join us for a warts and all exploration of one of education's hottest topics. James will take you on a 360-degree tour of growth mindset pedagogy, looking at the benefits and pitfalls and inviting group discussion on a range of topics.

Who's it for?

Head Teachers & SLTs
Curricular specialists
Education Officers
Quality Improvement Officers

James Nottingham is the creator of the Learning Pit and co-founder of [Philosophy for Children.com](https://www.philosophyforchildren.com). He is credited as one of UK education's most forward thinking and creative innovators.

Venue: Microsoft Teams
Date: Friday 24 February
Time: 10.00-11.00
